NEW YEAR NEW BEGINNING

The time clock has clicked on and we have moved on steadily with each passing second, minute, day and month of the year 2022 and have crossed over to the New Year 2023 recalling the blessings of the past year and seeking God's benevolence for the New Year. As we begin yet another New Year, we realize that this year will contain numerous fresh possibilities, plentiful opportunities, and boundless new openings for creating cherished memories; and it will also present several challenges. But knowing that each moment will be grace from God, we welcome the New Year with renewed hope and in high spirits!

No one knows what tomorrow deepest corner of our heart that and opportunities to renew and Francis in his homily during an December 2018 at St. Peter's when one year ends and a new persons to "feel the need for that fills the passing of time Christians that someone is Our faith teaches us that it is grace that we will able to lead Yahweh says through Prophet for you, not plans to hurt you. I future" (Jeremiah 29:11). to be hopeful, to have new

holds. But we know in the it will be a year of blessings to grow in our persons. Pope evening prayer service on 31 Basilica said that the time, one begins, makes many something, or better, someone with meaning, and for Jesus Christ, the son of God." by the power of His love and a meaningful and fruitful life. Jeremiah, "I have good plans will give you hope and a good Therefore, New Year is a time dreams.

A New Year is like a blank It is our God given opportunity to script a beautiful story for ourselves so that we might grow stronger in our relationship with Christ and be His ambassadors. To make this New Year really 'new' we could ask three important questions to ourselves for our renewal and transformation. 1. What do I need to put off, and what do I need to put on? (Ephesians 4:22-24). This implies that how I need to change myself to grow in life. 2. Which are the closed doors and which are the open doors? An open door is a place where God is at work. Am I open to God's plans for my life? 3. What seems important, and what is truly important? As we turn the pages of our life, it is an opportune time to look at our priorities. The New Year offers us many opportunities but we need to prioritize what is more important as per our duties and responsibilities. These three aspects well discerned and lived can bring transformation and growth in our lives.

Another important aspect to be considered during this New Year is the growth of our Province and our mission commitment. As the New Year unfolds, we remember one of the very significant events that will take place is the installation of the new provincial administration to lead us and guide us in our religious and missionary life and mission. As members of the INM Province, we need to collaborate with the leadership team to build the Kingdom of God in these challenging times. There will be many transfers and new appointments and we need to accept them with faith and missionary commitment and align ourselves to the vision and mission of the province.

Yet another significant process that will intensify during this New Year is the preparation for the forthcoming 19th General Chapter. We will be reflecting on the General Chapter theme: “*You are the Light of the world: Faithful, Creative Disciples in the Wounded World*”. Yes, our world is wounded with shrinking economy, unemployment, ailing healthcare systems, climate change and migration of people. Further, there is fear of the return of Covid-19 with all its consequences. The worst victims of all these will be the poor and the marginalized. It is in this context, we, as members of the Society of the Divine Word, must meditate and internalize what it means to be the Light of the World. We are fortunate to have good example of our two stalwarts, St. Arnold and St. Joseph whose feast we celebrate in the first month of the New Year. They recognized the light, the Divine Word and followed Him closely in their life and mission and became light to others in their time. Like them, we need to be strengthened in our faith to be faithful witnesses in the present times. The fruit of this faithfulness will manifest itself in our creative ministries. Whatever ministries we may be engaged in, we need to recognize that God has placed us in it with a specific purpose i.e., to use us as His faithful and creative disciples to heal the wounded world. We seek the intercession of our saints and pray that the New Year 2023 be an enriching and a rewarding year for all of us. May the Divine Word made flesh in Jesus be our light to lead us in our life and mission.

A DAY WITH THE VICE GENERAL DDW - MUMBAI

People who are humble have inner peace. They are rooted and comfortable with who they are and others around them. The Disciples of the Divine Word (DDW), Mumbai had an opportunity to meet our Vice General, Fr. José Antunes Da Silva on 19th November 2022. We were delighted to welcome him to our Feed the Hungry program in the morning. He came to see us at Atma Darshan and was happy to meet the members who were preparing to leave for the food distribution. We arrive at Atma Darshan around 10.30 a.m. to bring the food, pack it, clean and fill the recycled water bottles, load it onto the two vehicles, and then leave to distribute it. Before the food-loaded vehicles moved out, the Vice General prayed for a few minutes concluding with Quarter Hour Prayer. He joined us later for the food distribution outside Cooper Hospital, one of the largest Government Hospitals in Mumbai.

Our formal meeting with Fr. José Antunes started at 4 p.m. in the Atma Darshan dining hall with tea, snacks, and small talk. With *aarti and chandan tika*, Shantha Thomas and Sandhya Dominic welcomed him to the meeting hall. Jayesh George led the group into prayer by invoking the Holy Spirit. Following a brief introduction by Fr. Gregory Pinto, Spiritual Director, Susan Noronha read out the Report on DDW which was later presented to Fr. José Antunes. During his interaction with the members, the Vice General applauded them, mainly for their dedication to prayer and outreach to the needy, particularly the poor and homeless. Members were eager to tell him about their experiences as SVD Lay Partners. Following Andrew D'Souza's vote of thanks, the meeting concluded with a group photograph.

INM PROVINCE RETREAT

It is rightly said, “What we plant in the soil of contemplation, we shall reap in the harvest of action.” The first annual retreat of INM province 2022 was held at Atma Darshan, Andheri. It began on 27th November, 2022 after the supper with an introductory session, and concluded on 2nd December, 2022 evening with Jubilee Eucharistic celebration. The retreat was guided by Fr. Alvito Fernandes OCD, an excellent retreat preacher. Forty confreres participated in this retreat. It was a graceful and fruitful retreat. The insightful talks, reflection, personal sharing, transforming prayer, Holy Eucharist and meaningful adoration made this retreat a special one. This retreat instilled in us certain spark, certain fire, dedication and determination. The theme of the retreat was “Contemplation in Action” The retreat began with a question, “as SVD, priests and religious what do you seek?” Nothing but the experience of the love of the Father. As missionaries our first mission is to travel back to our home land and thus began our interior journey. Every journey needs certain investments and the required instalment of the Spirit is given to us at our baptism for this journey. Our growth in spirit takes place through prayer. The prayer will lead us to the active and passive stages of interior journey. In order to be effective in prayer the retreat preacher urged us to practice the virtues of charity, humility and detachment. And these will take us to the omega point of our interior journey called contemplation. The retreat preacher in a convincing and challenging way travelled with us in this interior journey. His insightful and challenging thoughts created in us an awareness and desire for contemplation. At the end of the retreat we all walked out with certain clarity, motivation, direction and determination to continue our interior journey come what may till the omega point of our life.

ST. FRANCES XAVIER’S ANNUAL FEAST BAILHONGAL

Theodore Roosevelt said, “Do what you can, with what you have, where you are.” This is exactly what happened in the life of St. Francis Xavier, he did what he could, with what he had and at where he was. Genesis 12:1 “Leave your country, your people and our fathers household and go to the land I will show you.” St. Francis Xavier left his country, people, dear ones and even the household and travelled to distant lands totally depending upon the mercy and providence of God. While evangelizing no tool is more effective than that of personal witness, people can argue with points of doctrine but no one can argue with a personal testimony. Walt Disney’s words, “If you can dream it, you can do it”, were very much applicable to St. Francis Xavier. He could do great things for the mission of the church just because of his dream of evangelizing the nations. “Get set all on fire” were the words of St. Ignatius to St. Francis Xavier before starting his missionary journey to India and he left no stone unturned to preach the gospel and tend the flock. He lived for God 24 hours passionately. These are the tools he employed for his mission: God in spiritual exercises, obedience, love for poverty, love for God’s creation, apostolic creativity, baptism, ordering the disorder, inculturation prayer and penance and apostolic zeal. St. Francis Xavier spoke the great Mercy of God, not

by doing alone but by being. Every follower of Christ in this beautiful land India must be proud that we have a great missionary with us to speak the mercy and faithfulness of God to humankind.

We are blessed to live under the protection and patronage of St. Francis Xavier who is interceding for us. In gratitude, we had a great celebration of the feast of St. Francis Xavier. In order to celebrate God's merciful love shown to us through our patron, we had 3 days 'Triduum' under the leadership of our shepherd, Fr. Richard D'Almeida, who took immense trouble to prepare us to celebrate the day of our patron in a worthy manner. The triduum reflections during the mass were very inspiring and challenged us to introspect to see whether we are on the track tread by our dear patron and be the witness to Christ's love. On the first day of triduum, Fr. Leo Alex brought alive the life of St. Francis Xavier and his zeal for the mission. On the second day, Fr. Richard D'Almeida presented the tremendous miracles that have occurred through the intercession of Francis Xavier. On the third day, Fr. Harry Victor from Madanbavi narrated the life story of St. Francis Xavier. The feast of our patron was celebrated with 25 priests and religious sisters and friends. Fr. Alwyn Sudhir, Parish Priest of Infant Jesus Church, Shanthinagar, Hubli was the main celebrant. During the sermon he brought the significant aspects of St. Francis Xavier's life and mission. On the feast day, we could experience the presence of our patron and the blessings bestowed on us through his intercession. Before the Mass there was solemn procession along with the statue St. Francis Xavier and after the Mass there was adoration to thank God for all that has happened and all the blessings received. We pray that our dear patron St. Francis Xavier may continue to intercede and journey with us in spiritual life and to lead us to the promise land to encounter the Lord face to face.

SINGING OUR WAY TO CHRISTMAS

"Christmas isn't Christmas till it happens in your heart ..." the words of this song so aptly put forth the sentiment felt and shared by the children of Sacred Heart Junior Choral Ensemble ("SHJCE"), who made it their mission to spread the good news and joy on the birth of our Lord, Jesus Christ. The SHJCE was established in 2017 by The Singing Trio of Adv. Mrs. Sharon Pinto, Mr. Marian Dsouza and Mr. Jayesh George with 10 children and the intent to promote the following 3 "Es":

- Enable children to utilize their talents to come closer to God and proclaim his name to the world
- Empower children through various experiences to become confident and well-rounded individuals
- Encourage children to form lasting bonds and friendships with each other thereby taking them away from the evils of modern technological gadgets and gizmos

35 children from our Parish, between the ages of 5-16 years, commenced their practices in earnest under the guidance of the Singing Trio. The children were not only coached on the techniques of singing clearly and together as a group but also on how to express their feelings through song thereby touching the very heart of their listeners. The children started their mission with a visit to L & T Emerald Complex, Powai on December 17, 2022, where they sang numerous carols to the residents who belonged to various ethnic diversities, religions, ages etc. Their angelic and earnest voices were so filled with the Christmas spirit that everyone present was infused with the love and joy of Christmas, culminating in all, celebrating the birth of our Lord, as one big family. The children who participated were not only provided with a sumptuous meal but also presented with a personalised Christmas bauble. The children continued their mission with a visit to Chhatrapati Shivaji International Airport (T1 & T2) on 22nd & 23rd December 2022. This experience was anticipated and awaited not only by the children who experienced it for the first time but also by those who have sung there with the SHJCE before. This exposure enabled the Children to regale the passengers be they celebrities or regular passengers, from the entrance of the airport right up to the boarding gates. It was indeed heartening to watch passengers come to a complete stop while dashing for their flight(s) when they heard the children sing. Some passengers enthusiastically joined in the singing of the carols. All for sure were left with a big smile on their faces and the warm and

happy feeling of Christmas. The children concluded their mission by singing carols for the parishioners just before the Christmas Mass. Our children through this experience with their peers not only learned how they can use their voices to spread the good news of the Lord but also valuable lessons on teamwork, camaraderie and respect.
